

Science Fair Proposal

- Please use this form to help organize and plan your science fair project.
- Proposal is due to your teacher by Tuesday, January 10.
- Remember projects are due in class by Monday, February 6.
- Students will give an oral presentation of their project to the class on February 6, 7, and 8th.
Speeches should be 2-3 minutes in length.

1. Testable Question: (Your project should be based on something that you can test)

2. Hypothesis: (What is your educated guess as to what might happen)

3. Materials: (What is it that you need? Please remember to be specific)

4. Procedure: (explain what it is that you are going to do)
